Seychelles Alzheimer's Foundation organized a two day sessions to help the domiciliary care workers working specifically with Alzheimer patients to better understand and take care of the recipients. They received their certificate on Saturday 28th August 2021 in a small ceremony held at the Exile Club, which was attended by Minister for Employment, Social Affairs, Mrs. Patricia Francourt and Miss Brenda Morin, CEO for Agency for Social Protection, Acting Chairman of Seychelles Alzheimer's Foundation and other members of the foundation. On the day of the certificate ceremony, attendees had the privilege to listen to the experience of Mr. Jacques Harter, as an Alzheimer carer to his mother.
